TOWN OF TELLURIDE**QUESTION 300**

Shall the Town of Telluride adopt the following ordinance?

**A CITIZEN INITIATED ORDINANCE TO PRESERVE THE
CHARACTER OF TELLURIDE BY ELIMINATING LOT LINE
VACATIONS**

Whereas: the Town was platted in the late 1800's with a grid system of small lots, which has much to do with how the town has developed over the last century, creating a unique, familiar, small-town, atmosphere, Whereas: Telluride is designated as a National Historic Landmark District by the National Park Service, one of six historic districts in Colorado,

Whereas: the Town of Telluride is losing that small-town feel as multiple lots are being combined into larger lots to build homes out-of-scale with the community,

Whereas: this phenomenon changes the character of neighborhoods and the Town, and is accelerating both the loss of affordable rental housing and the demolition of smaller homes,

Whereas: most of these larger homes are empty for the vast majority of the year and do not contribute to the year-round occupancy and vitality of the neighborhoods or businesses, leaving the neighborhoods "dark" and lifeless,

Whereas: the Land Use Code (LUC) is a dynamic document that the Town uses to direct development in the Town, and it can be and has been altered over time,

Whereas: the people of Telluride feel that the Town must take action to help preserve that which is Telluride,

**NOW THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF
THE TOWN OF TELLURIDE:**

That the Land Use Code be amended to not allow the vacation of lot lines in order to combine two or more LUC compliant lots into one (i.e., the creation of larger than average lots for large homes), with the following exceptions:

1. for purposes of commercial development
2. in cases where existing homes or buildings straddle lot lines ("housekeeping")
3. where both HARC (Historical Architectural Review Commission) and P&Z (Planning and Zoning) vote by extraordinary majority to allow the vacation of lot lines for an exceptional public benefit or on site affordable housing.
4. unless required by the underlying zoning in the Hillside Developing Two (HD-2) zone district.
